## HDD WD 12TB WD120EFBX RED PLUS 7200RPM 256MB

Šifra: 22278  
Kategorija proizvoda: 3.5" HDD  
Proizvođač: WD

Cena: **39.171,00** din.

### Model

<b>Brand</b>	WD
<b>Series</b>	Red Plus
<b>Model</b>	WD120EFBX

### Performance

<b>Interface</b>	SATA 6.0Gb/s
<b>Capacity</b>	12TB
<b>RPM</b>	7200 RPM
<b>Cache</b>	256MB

### Features

<b>Features</b>	<p>Tackle Intensity with WD Red Plus Packed with power to handle the small- to medium-sized business NAS environments and increased workloads for SOHO customers, WD Red Plus is ideal for archiving and sharing, as well as RAID array rebuilding on systems using ZFS and other file systems. Built and tested for up to 8-bay NAS systems, these drives give you the flexibility, versatility, and confidence in storing and sharing your precious home and work files.</p> <p>For Small or Medium Businesses Stream, backup, share, and organize your digital content with a NAS and WD Red Plus drives designed to effortlessly share content with the devices at your home or business. NASware 3.0 technology increases your drives' compatibility with your existing network and devices. For larger businesses with up to 24 bays, count on WD Red Pro drives to deliver exceptional performance.</p> <p>Exclusive NASware 3.0 Not just any drive will do. Get up to 112TB of capacity in your 8-bay NAS system and with Western Digital's exclusive NASware 3.0 technology, you can optimize each and every drive. Built into every WD Red Plus hard drive, NASware 3.0's advanced technology improves storage performance by increasing compatibility, integration, upgradeability, and reliability.</p> <p>Built for Optimum NAS Compatibility WD Red Plus drives with NASware technology takes the guesswork out of selecting a drive. Optimized for NAS systems, our unique algorithm balances performance and reliability in NAS and RAID environments. Simply put, a WD Red Plus drive is one of the most compatible drives available for NAS enclosures. But don't take our word for it. WD Red Plus drives are a reflection of extensive NAS partner technology engagement and compatibility-testing.</p> <p>WD Red Pro for Big Business If you're looking for heavy duty performance for NAS, WD Red Pro drives deliver exceptional performance for the medium to large business customer with extreme demands.</p>
